#### *Army Aviation Mission Solutions Summit*

- \* National/Functional Awardees/Hall of Fame Inductees

#### *Army Aviation Leadership State of the Enterprise*

- \* Branch Chief, Branch CWO, Branch CSM
- \* Program Executive Officer–Aviation
- \* AMCOM Commander

#### *AAAA Chapter Directory*

#### *2022 Photo Contest Winners*

### JUNE

#### *Special Operations Aviation*

- \* US Army Special Operations Aviation Command
- \* 160th Special Operations Aviation Regiment (Abn.)

#### *Arming the Force*

- \* PEO Missiles & Space
- \* PM-Tactical Aviation & Ground Munitions (TAGM)

#### *Annual Summit Pictorial Recap*

### JULY (Bonus Dist. – ASE)

#### *Simulation & Training*

- \* PEO Simulation, Training, and Instrumentation (STRI)
- \* U.S. Army Aviation Center of Excellence (USAACE)
  - \* Dir. of Evaluation & Standardization
  - \* Dir. of Simulation
  - \* Dir. of Training & Doctrine
  - \* Combat Training Centers
  - \* Aerial Gunnery

### JULY (Bonus Dist. – ASE) (continued)

#### *Aviation Survivability*

- \* PEO Intelligence, Electronic Warfare & Sensors
  - \* PM-Aircraft Survivability Equipment
  - \* Product Mgr.-Air Warrior
  - \* Aviation Reprogramming Analysis Team
  - \* Electronic Warfare Air/Ground Survivability Division
  - \* Aviation Survivability Branch, USAACE
  - \* Aviation Survivability Development and Tactics Team
- #### *Experimental Demonstration Gateway Event (EDGE)*

### AUGUST/SEPTEMBER

#### *Blue Book Directory*

#### *AAAA Scholarship Foundation Winners*

### OCTOBER (Bonus Dist. – Cribbins)

#### *Aviation Sustainment*

#### *\*AMCOM*

#### *Aviation Support*

- \* PM-Avn. Mission Systems & Architecture
- \* Modular Open System Architecture (MOSA)
- \* PdM-Aerial Comm. & Mission Command
- \* Product Director-Avn. Ground Spt. Equipment
- \* PdM-Architecture & Environment Exploitation

#### *Aviation Soldier Support*

- \* PEO Soldier

### NOVEMBER (Bonus Dist. – Luther Jones)

#### *Corpus Christi Army Depot*

#### *Unmanned Aircraft Systems*

- \* PM-UAS
- \* Future Tactical UAS
- \* ACM-Recon/Attack
- \* Gray Eagle Mobile Machine Interface (GEMMI)

#### *Fixed Wing*

- \* PM-Fixed Wing
- \* PM-Sensors-Aerial Intelligence
- \* Operational Support Airlift Agency/ARNG FW

#### *Air Traffic Services*

- \* Army Aeronautical Services Agency
- \* Army Air Traffic Services Command
- \* PdM-Assured Airspace Access Systems

#### *Project Convergence 22*

### DECEMBER

#### *Industry Partners Directory*

#### *Industry Support and Challenges*

- \* Articles by Large, Mid-size & Small Business

#### *Acquisition Process*

- \* Asst. Sec. Army (Acq., Log., Tech.)(ASAALT)

#### *Research & Development / Science & Technology*

- \* Defense Advanced Research Projects Agency
- \* AFC – Future Vertical Lift Cross-Functional Team
- \* Combat Capabilities Development Cmd. (CCDC)
  - Aviation & Missile Center
  - C5ISR Center
- \* PEO Rotary Wing / Technical Applications Project Office
- \* Air Launched Effects
- \* Additive Manufacturing

## “THIS IS YOUR ARMY” General Officer Invites

**Intent is to add lead editorials at least every other issue from non-Aviation four-star generals such as FORSCOM, TRADOC, AMC, AFC, CENTCOM, etc., on a theme of “This is Your Army” to give more integrated and strategic perspective to our readers.**

January – CG, Army Materiel Command

July – CG, TRADOC

March – Dir., Army National Guard &  
Chief, U.S. Army Reserve

October – CG, FORSCOM

April/May – Chief of Staff, Army

November – CG, USAREUR

June – CG, Army Special Operations Command

December – CG, Army Futures Command

## SPECIAL FOCUS TOPICS

Acquisition Process  
Additive Manufacturing

Aviation Soldier Support  
Aviation Mission Survivability (AMSO)  
Arming the Force  
Army Aviation Leadership Annual Updates  
Aviation Medicine  
Aviation Sustainment  
Aviation Survivability Development and Tactics  
Team (ASDAT)  
Avionics  
Combat Capabilities Development Command  
Aviation & Missile Center  
C5ISR Center  
Experimental Demonstration Gateway Event  
(EDGE)  
Degraded Visual Environment  
Fixed Wing  
Future Vertical Lift (FVL)  
Future Long-Range Assault Aircraft (FLRAA)  
Future Attack Reconnaissance Aircraft (FARA)  
Gray Eagle Mobile Machine Interface (GEMMI)  
Guard/Reserve Aviation

Industry Support and Challenges  
Logistical Support  
Maintenance  
Manning the Force  
MEDEVAC  
Manned-Unmanned Teaming, Next Gen  
Modernization  
Modular Open Systems Architecture (MOSA)  
Multi-Domain Operations  
Stability & Support Operations  
Product Support  
Project Convergence 22  
Protecting the Force  
Research & Development  
RESET  
Rotary Wing Project Managers  
Safety  
Science & Technology  
Simulation  
Small Unmanned Aircraft Systems  
Special Operations Aviation  
Tactical Aviation & Ground Munitions  
Technical Applications Project Office (TAPO)  
Test & Evaluation  
Training  
Unmanned Aircraft Systems
